Stop the appointment of Matt Gaetz as Attorney General

Hi, I'm a constituent calling from [zip]. My name is _____.

I'm calling in strong opposition to [Matt Gaetz's confirmation as Attorney General](#). Gaetz has zero qualifications for being the highest law enforcement official in the land. He has never been a government attorney. He has never been a judge. He is also under investigation by the House Ethics Committee in connection with a sex-trafficking scandal and their report, [which needs to be released](#), is apparently damning. This would be a joke if it weren't so serious. I expect the Senator to vote no. Will s/he? [\[H/T\]](#)

[If your Senator is a Democrat add:]

Also, Democrats need to confirm every single judge they can in the next 67 days before Trump is sworn in. We have lots of vacancies and they need to be filled now. This is urgent. Everything else needs to take second place. Will the Democrats use every single minute to confirm judges and also get any agency appointments done that they can? Thanks.

2. Call Your House Rep (find yours [here](#)) 📞

Hi, I'm a constituent calling from [zip]. My name is _____.

I'm calling to demand that the Congressman push the House Ethics Committee to release its report on Matt Gaetz. Trump has nominated Gaetz to be the highest law enforcement officer in the country. If he himself is a sex trafficker and/or statutory rapist we need to know it. If the Congressman cares about the rule of law s/he will make this a top priority. Thanks.
