- I want to be part of history & participate in our democracy as a voter.
- I've always remembered how inspired I felt going to the polls with my Mom when I was a child.
- My vote is a way to create a better future for all of us, with good jobs, good healthcare, & safe communities.
- I want my family, my community, and everyone to have a better life. I believe that voting is the most powerful and peaceful way to make that happen. I hope you will join me and others in this important election and be a voter.
