### Repeal bans on cruising by supporting AB 436

**Action:** Write to your California Assemblymember and State Senator in support of [AB 436](#), which calls for repealing bans on cruising.

**Suggested text:**

*Dear Assemblymember \_\_\_\_ (or Senator \_\_\_\_)*

*I am a constituent in your district, and I'm writing in support of AB 436, which would make cruising legal in California, and would repeal outdated and discriminatory anti-cruising ordinances. Cruising is a joyful and family oriented part of California culture that celebrates art and community, and should be appreciated – not criminalized. Let's follow in the steps of Sacramento, San Jose and other cities, and repeal these bans statewide!*

*Thank you.*

*Respectfully,*
